

# RESOURCING AS A SERVICE (RAAS)

## FLEXIBLE ICT RESOURCING SOLUTIONS

**RaaS was established by Lexel to provide access to flexible, specialist, ICT talent: Resourcing solutions designed to meet your needs, on your terms.**

Lexel is an ICT business, not a recruitment agency. Working with Lexel's dedicated RaaS team will provide you access to a pool of expertly qualified ICT talent.

Our RaaS solutions specialists combine the perfect blend of ICT knowledge with commercial resourcing expertise. Innovative in mindset, each member of the RaaS team takes pride in understanding every client's unique business, working collaboratively to create a customised resourcing solution to meet changing needs.

### Resourcing as a Service solutions:

**On Demand.** Resource on your terms to meet an urgent requirement.

**Flexible.** Resource for both short and long term contract engagements.

**Virtual Bench.** A dedicated team of pre-qualified resources built to meet your unique needs.

**Milestone.** Resource delivering against clearly defined pre-agreed milestones.

**Hybrid.** A mix of managed outcomes and T&M, customised to suit your business needs.

**Permanent.** Identifying the ideal person to meet your technical, business and team requirements.

### BUSINESS BENEFITS

*At Lexel, we understand the success factors when it comes to resourcing outstanding ICT talent.*

**ICT is in our DNA.** Lexel offer's our clients a broad range of ICT solutions incorporating people, process and technology. We get how important it is to access the right skills and the right organisational fit.

**Partnership.** We are committed to the longevity of our relationship with you, constantly adapting to your changing needs.

**Experience.** Arguably one of the most experienced specialist ICT resourcing teams in New Zealand with combined industry experience of 100+ years.

**We move quickly.** Consultative, fast and flexible; we have talent pools of referenced ICT specialist resources ready to go.

**Right fit.** We make sure we understand the culture of your team, organisation and your technical environment.

**Access to expertise.** We are able to offer clients access to long term RaaS contractors and pre-qualified industry professionals.

**Pre-qualification.** RaaS utilises Lexel's broader team of subject matter experts to assist in the qualification of potential candidates and contractors.

**Intellectual Property.** Re-engage with the same resources, reducing time and management overhead, while retaining valuable intellectual property.

**Peace of mind.** Robust pre-screening and qualification criteria and post-placement guarantees.
