

# LEXEL HOSTED SKYPE FOR BUSINESS

## MONTHLY PAYMENTS - NO MINIMUM CONTRACT

Lexel can help your business communications transform, by gaining access to calling, instant messaging, mobility and video conferencing. Access Microsoft Skype for Business, hosted, managed and supported in New Zealand by Lexel.

You don't have to worry about accessing services that are based offshore, because Microsoft Skype for Business is now on your doorstep, and delivering full land line functionality.

A simple per user per month model, there are three cost-effective options available. Training, technical support and Microsoft Skype for Business hosted licensing is included in the monthly fee.

### BASIC

From  
**\$24 + gst**  
Per user per month\*

Instant messaging and chat.

### VOICE

From  
**\$29 + gst**  
Per user per month\*

Make & receive calls from NZ telephone networks.

**Includes Basic.**

### CONFERENCE

From  
**\$34 + gst**  
Per user per month\*

Voice with the ability to use the conference bridge.

**Includes Basic+Voice.**

\*Note: Prices include technical support and Microsoft Skype for Business licensing. One-off set up fee additional.

## BUSINESS BENEFITS

**Save money.** Call traditional phone numbers (local, national and international) at much lower rates. The savings alone could pay for this service.

**100% OPEX.** Enjoy easy monthly payments with no minimum contract term.

**Free calling.** Enjoy free calling between Skype for Business users across multiple sites and devices.

**Fully mobile.** Connect anywhere from any device (desk phone, headset, smart phone, tablet).

**Reliable.** Dependable service delivering 99.9% uptime.

**Local.** Have confidence knowing your Skype for Business data and your technical support is located in New Zealand.

**Service excellence.** Included in your monthly fee, access to Lexel's team of Skype for Business experts.

**Get up and running!** The team at Lexel can deploy your solution rapidly, getting you up and running in no time. Add users easily and quickly as your business grows.

### Optional add-ons:
